

Posternummer:

1. **Effect of antioxidants and thawing rates on the quality of cryopreserved camel sperm**
Linn Söderström, Statens veterinärmedicinska anstalt
2. **Utbrett subkutant emfysem efter trauma; 2 fallrapporter**
Sofia Thelin, Evidensia
3. **Gizzard erosions in broiler chickens in Sweden 2016 caused by Fowl adenovirus, species A (FAdV-A)**
Ylva Lindgren, Sveriges veterinärmedicinska anstalt
4. **Prevalence, isolation and identification of pathogenic *Yersinia enterocolitica* in Swedish pig farms**
Eliina Lahti, Sveriges veterinärmedicinska anstalt
5. **Frysningshastigheter och upptiningstemperaturs effekt på spermiekvaliteten hos kameler**
Jane Morrell, Sveriges lantbruksuniversitet
6. **Prevalence and risk factors of subclinical mastitis in the lactating dromedary camel in pastoralists herds in Kenya**
Dinah Seligsohn, Sveriges veterinärmedicinska anstalt
7. **Dynamics of sem type of *Streptococcus equi* in persistently infected horses followed longitudinally after clinical strangles outbreak**
Miia Riihimäki, Sveriges lantbruksuniversitet
8. **Persistence of *Streptococcus equi* ssp *equi* antibodies in a prolonged strangles outbreak, assessed by an enhanced iELISA**
Miia Riihimäki, Sveriges lantbruksuniversitet
9. **Prevalens av rörelseasymmetrier hos ridhästar som tävlas på elitnivå**
Elin Hernlund, Sveriges lantbruksuniversitet
10. **Axial skeleton/pelvic osteomyelitis in foals: Diagnostic utility of CT, treatment and outcome: 6 cases**
Linda Wright, Evidensia
11. **The effect of NSAID treatment on movement asymmetries in riding horses**
Emma Persson Sjödin, Sveriges lantbruksuniversitet
12. **Electrophysiological findings in six horses with visual impairment**
Lena Ström, Sveriges lantbruksuniversitet
13. **Histological investigation of the testicular nerves at the castration site in geldings**
Emma Bengtsdotter, Sveriges lantbruksuniversitet
14. **Ryggmärgskompression i halskotpelaren hos häst registrerade vid DT och DT-myelografi: 25 fall (2013-2016)**
Celina Lindgren, Evidensia
15. **Ekvin grässjuka i Sverige: 58 fall (2000–2016)**
Anna Bohlin, Evidensia
16. **Anatomical studies of the infundibula in maxillary cheek teeth using computed tomography in different age groups of horses with known dental status**
Ditte Cecilie Vemming, Evidensia
